PT KUWAIT INDONESIA PARTNERSHIP

COMPLIANCE & DIGITAL ASSETS DEPARTMENT

SUBJECT

Official Terms of the Paymaster Service (Trusted Third Party)

1. ROLE AND SAFEGUARDING

To guarantee the success of your contracts and the payment of all stakeholders, **PT KUWAIT INDONESIA PARTNERSHIP** acts as a neutral custodian. We utilize our company's Corporate Wallet to receive digital assets, secure the funds, and proceed with the exact redistribution stipulated in your agreements.

2. DEPLOYMENT MECHANISM

- ➔ Signing of the Paymaster Agreement by all parties.
- ➔ Escrowing of cryptocurrencies on our secure infrastructure.
- ➔ Immediate redistribution to beneficiaries once the contract conditions are validated.

3. FINANCIAL CONDITIONS AND PRICING

Our pricing is designed to be transparent and applies as follows:

SETUP AND REGISTRATION FEES: $100 USD

File processing fee for the drafting and registration of the Paymaster Agreement.

MANAGEMENT AND REDISTRIBUTION FEES: 3%

Calculated on the total volume of cryptocurrencies received by our Corporate Wallet. (The remaining balance is fully redistributed to the beneficiaries according to the strict terms of the contract).

This document outlines the standard paymaster service terms. Final terms are subject to the specific commercial agreements and official contracts signed between the parties.
